X-ACTO 1935-1975

For 40 years X-acto has been serving the world bringing to the hobbyist, artist, craftsman, schools and industry the finest in cutting edges.

X-acto began with a basic line of knife handles and blades. Over the years, it has developed into a complete line of precision tools to meet the needs of the fields it serves.

Leadership carries a responsibility. To maintain this leadership, X-acto pledges to continue to develop new products to meet the needs of our public.

The X-acto policy of striving for quality products carrying fair selling prices to the consumer is, in a true sense, one of being PARTNERS IN PROFITS with you, our distributor. This has been X-acto's cornerstone. This policy will continue.

WHEN ORDERING

Your orders will be shipped more promptly and accurately if you will use catalog style numbers and order in standard units. We attempt to carry adequate inventories to cover your requirements. However, to properly service your customer's needs, please plan your stock levels carefully.

SHIPMENTS

Claims for merchandise that is damaged or lost should be filed immediately on receipt of shipment. No merchandise should be returned without written consent. We cannot accept return of goods that has been opened or abused.

PRICES

All prices shown comply with the Federal Wage & Price guide lines...and are subject to change without notice in accordance with these guide lines.
